**NOTE:** The amounts shown are the maximum amounts that you may borrow for an academic year (annual loan limits) and in total (aggregate loan limits). You might receive less than the maximum if you receive other financial aid that's used to cover a portion of your cost of attendance. PLUS is a federal loan program for dependent undergraduate students. Generally, parents are eligible if they do not have an adverse credit history and are not in default on a federal student loan.

Housing cost may be included in the financial aid package to qualifying students otherwise the amount of loans is limited to tuition, fees, and books only.
