

## 2018–2019 Verification Worksheet

### Independent Student- Tracking Group V1

Your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible, so that your financial aid will not be delayed.

**C. Independent Student's Income Information to Be Verified**

**1. TAX RETURN FILERS**

Important Note: If you (or your spouse, if married) filed, or will file, an amended 2016 IRS tax return, the student must contact the financial aid administrator before completing this section.

**Instructions:** Complete this section if you, the student, filed or will file a 2016 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to [FAFSA.gov](http://FAFSA.gov), log in to your FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2016 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

**Check the box that applies:**

I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse's) 2016 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. *Your school will use the IRS information that was transferred in the verification process.*

I, the student, have not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but I will use the tool to transfer my (and, if married, my spouse's) 2016 IRS income information into my FAFSA once I have filed a 2016 IRS tax return. *See instructions above for information on how to use the IRS Data Retrieval Tool. Your school cannot complete the verification process until the IRS information has been transferred into your FAFSA.*

I, the student, am unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and I will submit to the school a **2016 IRS tax return transcript**—not a photocopy of the income tax return. *To obtain an IRS tax return transcript, go to [www.irs.gov](http://www.irs.gov) and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2016 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*

Check here if an IRS tax return transcript is attached to this worksheet.

Check here if IRS tax return transcript will be submitted to your school later. Verification cannot be completed until the IRS tax return transcript has been submitted to your school.

**2. TAX RETURN NONFILERS**

Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2016 income tax return with the IRS.

**Check the box that applies:**
