GRADUATION

Congratulations

MY FAVORITE CAMPUS MEMORY

Some of my favorite campus memories were the **Intercultural Day** and presenting our **research** for the signature course and senior seminar. These events allowed me to **articulate my research** for my classes as well as get to know some of my peers.

LONG-TERM CAREER

After graduation, I plan on getting a job in the **Electrical Engineering Field**. I am most interested in the **Field Engineer** position, but have also interviewed and received offers as an **Electrical Commissioning Engineer**.

HONORS AND ACCOMPLISHMENTS

I am the **valedictorian** of **East-West University's class of 2026**. I was on the dean's list all of my quarters at **East-West University**. I received the **"Si Se Puede"** scholarship, and I am graduating **"Magna Cum Laude"** {with great distinction.}
